PAYMENT OPTIONS

1 National leasing programs

If you have a national leasing program in place, it can be a highly efficient way to track your expenses and let your drivers quickly maintain their vehicles at any of our stores. Lube City Express Oil Change service centers accept the following national leasing accounts.

Automotive Resources International
A Partnership Approach

2 Your company credit card (receive 7% off total invoice)

Your existing company credit card is welcome at Lube City Express Oil Change. It's already a valuable tool for tracking business expenses, so why not use it to manage fleet maintenance? You can stay in control of expenses with your customized maintenance plan option and offer your drivers service with no fuss. Lube City Express Oil Change service centers accept the following major credit cards.

3 Driver reimbursement (receive 7% off total invoice)

Offer your drivers the flexibility of paying any way they want - cash or credit - then receiving reimbursement from you. By setting up authorized services in advance, you help your drivers understand which services are authorized - and which ones aren't. The result is a smooth-running reimbursement program....where you only pay out for authorized services, and drivers always know what they should pay for.
